

ACTIVE 20-30 CLUB OF REDDING #143

"One Never Stands So Tall As When They Kneel To Help A Child"

Redding.2030@yahoo.com

May 11, 2009

[This is a sample letter sent to local construction companies]

The Active 20-30 Club of Redding is a local service organization made up of young professionals who are dedicated to serving the special needs children in our community. The Active 20-30 Club of Redding has participated in many local activities that benefited both local children as well as our community. Currently, the Club is seeking donations and the removal of the Club banner from a block of concrete (See the attached RFP). In an effort to encourage interaction and camaraderie between Active 20-30 Clubs from different areas, members often "steal" objects from neighboring clubs. In our case, the Redding Club's banner was stolen on our charter night. However, as a practical joke, when the offending club returned the banner, it was encased in a block of reinforced concrete.

The Redding Club is now using this prank as an opportunity to raise money for future projects that will help the special needs children in our community (please see the attached flyer showing past Club activities). We are looking for a contractor willing to donate money to our cause and extract our banner from the concrete in which it is encased. As the contractor who "bids" the most, you will be rewarded with two tickets to the Active 20-30 Club of Redding's *Past Active Bash and Officer Installment* on June 13, 2009 at Win-River Casino's Eagle Room. Your generous donation will be celebrated at this event with a video presentation of the banner extraction, a plaque commemorating the extraction, and a tri-tip dinner. All contributions made from the banner extraction are tax deductible and all proceeds will go to the Active 20-30 Club of Redding for use in future projects benefiting local children.

The Active 20-30 Club of Redding would like to thank you in advance for any contribution that you can make to this great cause. If you have any questions, please feel free to contact Ian Stripling, at 221-1792 Ext. 119.

Sincerely,

Ian Stripling
