915 L. Street Suite 1000  
Sacramento, CA 95814

Dear Mr. Hershey,

The students and staff of Snow School held a "Penny Drive" last month to help support the people of Haiti after the tremendous tragedy that struck their country in January of this year.

Snow School is a Title 1 School, and growing with 324 students this year, which includes four Special Education classes. Being a Title 1 school means that 55% of our student population comes from low socio-economic backgrounds. Many of our children are on free or reduced lunches, live in multiple family homes, are latchkey kids, require state and federal assistance or are homeless, living in the local shelter.

In spite of these barriers, our students embraced this cause and enthusiastically cleaned out piggy banks and asked members of their extended families to help. I am very proud to enclose a check in the amount of \$1,191.00.

The Active 20-30 Club of Napa has been a great supporter of Snow School for many years. Presenting the Active 20-30 Club Foundation with this check to support their efforts in Haiti is one way of thanking them for their continued support.

We are very fortunate to live in a country with organizations that are so generous of their time and money. Thank you to you and all the Active 20-30 Clubs for your continued support of our youth.

Sincerely,

  
MaryAnn Salinger
